SAILBOAT

Why don't you take part in a very uncommon activity : a real regatta on board of wonderful sailboats of 13 to 15 meters.

As soon as you arrive, you will get on the sailboat (10 pers./boat). A professional skipper welcomes you on board and introduces the boat after a small briefing. Then, it will take you 30 min to get familiar with the sailboat : tacking and jibing will hold no secret for you.

Split into several crews, your group will have to reach the starting line as for a real yacht race and at the starting signal we're off! The race euphoria will quickly reach the teams and everyone takes on the challenges of his role : team spirit and good atmosphere are always the result of this race.

At the end of the regatta, an on-board lunch is possible : boats are gathered in a small turquoise sea cove. A unique and memorable moment guaranteed.
